NOTE:: These are freight estimates to commercial addresses. We will confirm freight via email with the order confirmation. Fee free to call 800-962-2453 for freight estimates. Volume shipments (multiple cycles) lead to lower per unit freight costs. Residential deliveries have an additional cost for larger items listed and liftgate service is available for your convenience. You will receive an order confirmation from documents@workman.com within approximately 48 hours of placing your online order showing the actual shipping costs and other order details.
